

## **IB SL Environmental Systems & Societies Summer Assignments for Rising Seniors 2018-2019**

**Instructor: Mrs. Folgate Carey Email: [laurieAF@leeschools.net](mailto:laurieAF@leeschools.net)**

1. Enroll in our Google Classroom **ESS Seniors 2018-2019** using class code **qc1bq0h**.
2. Download the ESS Syllabus Guide2017 and read through.
3. Refer to pp. 20-21 which is the course outline of the 8 topics covered in the course. Find a current event article that relates to each of the 8 course topics and write a brief reflection as to how the article relates to the IB topic. Cite your references using MLA format.
4. Read pp. 74-89 to become familiar with the external and internal course assessments. Develop a testable research question that correlates to one of the 8 IB topics that you would be interested in investigating as your Internal Assessment.
5. Refer to pp. 90-91 to create flashcards for each of the 33 command verbs. This will allow you to more effectively respond to exam items.
6. You will be quizzed on your completion of items 2-4 above when you return for the 2018-2019 academic year.
7. Read the “Learning” Article and write a reflection about the reading.
