

Sports Exercise and Nutrition Summer Work

- a. Google classroom code: r5f2wze
- b. Only work is to research an IA (Internal Assessment) topic and format for your IA that is worth 20% of your IB grade. You may also want to get started on some portions that you can. From experience, this is what will truly decide if you get credit for this course or not.
- c. Your IA topic is due first day of class and will count for a grade. Again, all you have to do is google topics and examples for this class IA and come up with your own topic from your interests.
- d. Check google classroom periodically for information as I obtain it.
